

Since 2011, ORS Partners has been a trusted partner, providing clients with diverse, effective talent acquisition solutions. From expertly filling open positions to building comprehensive talent acquisition (TA) programs, our Total Workforce Solution (TWS) will allow you to meet your TA goals, from targeted requisition fulfillment to complete program development, including branding, ATS, DEIB, and candidate experience.

Brand Enhancement

Ensure your TA program provides the most frictionless and fulfilling experience for all applicants and candidates

Leveraged Investment

A fixed, predictable investment in your TA program with support from your dedicated recruiter(s), an account manager; the resources of our ORSenal and best-in-class TA technologies

Flexibility

Scale your ORS TWS to meet your business demand: ideal for managing peak hiring seasons or cyclical workforce needs

Total Workforce Solution

A holistic approach to managing an organization’s entire workforce, including both full-time employees and contingent workers, in a unified manner

Tools & Technology

Leverage a robust range of Talent Acquisition tools and technologies (ATS, sourcing tools, job postings, AI, ChatGPT, text-to-recruit, etc.)

Deep Expertise

From sourcing and hiring to branding and marketing, ORS Partners provides subject matter expertise to handle every aspect of your business’s talent acquisition function
